Owner: Elke Preis
Langenstraße 33
02826 Görlitz

Description:

Our guest rooms (ca. 22 –26 qm) and our holiday apartment (ca. 50 qm) have been affectionately arranged in the attic of our house and are equipped with modern bathrooms with WC and shower/bathtub, SAT-TV, W-LAN, a small sitting area, two beds plus sleeping possibility for an infant as well as selected books on history, culture and travel in and around Görlitz.

The quiet, but central location of the guest rooms in the heart of the beautiful Old Town of Görlitz is perfect to discover art and culture, restaurants and shops, everything being located just a few minutes away within walking distance. The Third Saxon State Exhibition on the “via regia” - an old and central European trade route - which is held in Görlitz from May 21st to October 31st this year, is only a stone’s throw away from our house. The guests can have breakfast in a small bakery right on the ground floor of our house or in one of the cafés nearby.

The hostess speaks fluent English and provides city tours in English as well.
